

We mourn the passing of **Orville Bridgewater** on Thursday, May 12th. Orville was a member and one of the Gallatin Valley Back Country Horsemen founders. He was a very member. We realize most of you newer members had never met him. You could find him at the Korner Café each morning and after lunch sharing a table with his many and faithful friends. He leaves behind his wife, Ray, who shared his passion for their and riding. We will miss you Orville.
